

Drinking Water Source Protection

MUNICIPAL Roundtable Discussion

Be a part of the policy making process

Municipal leaders within the North Bay-Mattawa Source Protection Area are invited to be a part of the policy development process for drinking water source protection.

Upcoming Municipal Roundtables will review the nature of specific drinking water threat(s) in Callander, Mattawa, North Bay, Powassan, South River and Trout Creek.

Key discussion will focus on related “policy concepts” for the Source Protection Plan.
