

Drinking Water Source Protection

# Stakeholder Roundtable Discussion

Be a part of the policy making process

Residents, farmers and business owners within the North Bay-Mattawa Source Protection Area are invited to be a part of the policy development process for drinking water source protection.

Upcoming Stakeholder Roundtables will focus on the nature of specific drinking water threat(s), the local occurrences (existing and potential) in Callander, Mattawa, North Bay, Powassan, South River and Trout Creek. It will also introduce related “policy concepts” for Source Protection Planning.
