

**Road Closure Notice**  
**Main St. East Reconstruction – Phase 1**  
**Tender # 2011-68**

The Main St. reconstruction project is set to begin July 20th 2011. Bruman Construction will be the contractor completing the works.

**ACCESS TO BUSINESSES MAINTAINED**

Initially, road / lane closures will occur on Oak St. and Regina St.

- Oak St. – John St. to Main St.: closed to through traffic
- Regina St. – Main St to Rail Lands: closed to through traffic
- Oak St. at Regina Intersection: Alternating lane closures.

During the course of construction, local traffic access will be reconfigured as needed to maintain access to businesses. As construction progresses towards Main St. detours will be reconfigured and subsequent road closure notices will be issued.

Please follow the directional signage and drive carefully.
